COOKIES POLICY

Through this website, user’s personal data are not collected without their knowledge nor provide them to third-parties.

¿What are cookies? This website uses cookies and/or similar technologies that store and recover information when you are browsing. In general, these technologies serve very different purposes, like, for instance, recognize you as a user, obtain information on your browser habits or customize the way content is displayed.

The specific use we do of this technologies are described as follows.

¿What type of cookies are used in this web page?

With the purpose to offer you the best service and the aim to facilitate the use, the number of visited pages are analyzed, the number of visits as well as visitors activity and use frequency. To this effect, Hospes Hotels uses the statistic information provided by the Internet Services Provider.

Hospes Hotels does not use cookies to collect user information nor registers access IP addresses. We only use our own cookies, login ones, for technical purposes (those that enable users to browse through the website and the use of different options and services that exists).

The site in which Hospes Hotels is the holder includes links to third-party websites, whose privacy policies are beyond Hospes Hotels control. When you access this websites you can decide whether to accept this privacy policies and cookies. In general, if you browse through internet, you can accept or refuse third-party cookies from your browser configuration options.
